

INGREDIENTS

- 1 lb of fresh strawberries
- 1.5 cups of granulated sugar
- 2 cups of lemon juice *strained*
- 1 lemon & 4 strawberries *for garnish*

INSTRUCTIONS

1. Hull and cut strawberries in quarter pieces and place in a large bowl.
2. Pour sugar and 1/4 cup of lemon juice into the bowl.
3. Cover the bowl for 30 minutes and let the mixture rest.
4. After 30 minutes, blend the strawberry mixture until pureed.
5. Strain puree into a large pitcher.
6. Add the remaining lemon juice and 4 cups of water.
7. Pour into serving cups and garnish with lemon and strawberry slices.
