

We get it, emergencies happen.

Nothing is more frustrating than facing an unexpected expense and needing quick access to funds. That is why HCSG has partnered with PNC and Daily Pay to provide employees with early access to their paychecks through the Earnedit program.

The Earnedit program allows employees to access their funds as earned before payday and use them for emergencies or unexpected expenses.

When payday arrives, your paycheck will be what you earned minus any funds you accessed prior.

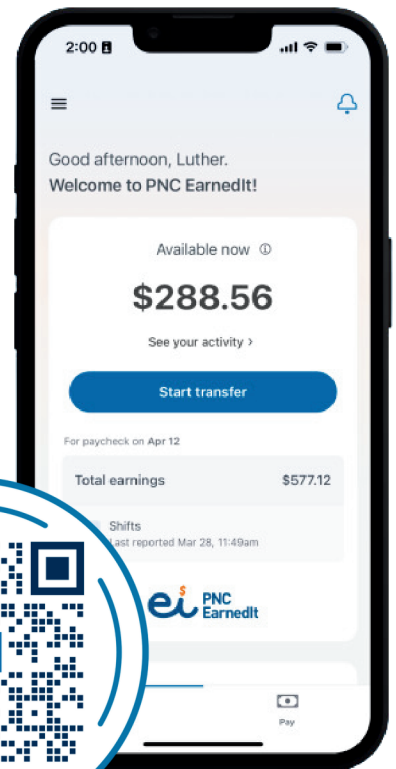

Emergencies happen, we're here to support you!
